### The Premises:

Not the most inviting place from the road but once inside absolutely fine. A few mins walk from Marleybone station.

### The Lady:

Buxom - think describes it well. Absolutely cracking rack. The best pair I've seen in a good while. Natural, large and firm....

### The Story:

Excellent comms. Niagara was ready on time and dressed as requested. Straight to the room and into the action once the paperwork was sorted. She's mature (late 30's maybe 40 but absolutely in a different league to most girls half her age in London these days. She gave great OWO and was very wet and responsive when I was DATY. At my age I very rarely cum twice within an hour. It takes time to re load!! Anyway Niagara almost took it as a challenge and despite my telling her a few times that it wouldn't happen she did manage to get me to cum twice during our meeting and with a twinkle in her eyes said see I told you... I've been looking at her profile for a while and I can't believe I've just met her for the first time. It won't be the last...I could have played with those amazing tits for the whole hour. If you've not yet had the pleasure....
