The Premises:

CMK - easy parking, but have to pay. Use the Ringo app! Short walk to premises (under 5 mins) Fairly discreet once in the building. Clean apartment, nice room, towels and shower facilities on offer. Maid was attentive and polite. A credit to the business. I even had Bunny come in the room to "scope me out" and was nice to see her.

The Lady:

Ella; Hot body, sexy eyes, great smile and tan. She truly is a sensational woman! Photos are accurate to those you see online but she's way better in person.

The Story:

I arrived at the location in CMK, my heart slightly racing with anticipation at the thought of seeing Ella again. As she entered the room I was amazed! Ella, in a red dress that clung to her curves and instantly got me horny.

Ella came in with a huge smile, a flirty attitude and before long, we were lost in a heated conversation that turned into deep, passionate kisses. My body was already pulsing with desire, and Ella could feel it. The massive erection was a giveaway!

She led me to the bed, with some more kisses, before trailing down to my chest. Her tongue circled my nipples, before her attention shifted lower, teasing my member with a delicate, yet skillful flick of the tongue. Soon Ella took me fully into her mouth, her talent undeniable, which left me feeling very turned on.

But then it was my turn. Ella lay back, her body VERY inviting, and we kissed rather passionately. I let my mouth explore her, finding her breasts, her perfect nipples, until I couldn't resist the urge to taste her. She was already lost in her own pleasure, her hand between her legs, and I couldn't help but watch. But soon, I took over, my tongue exploring her sweet tasting pus*y. The taste of her has me hooked, and it wasn't long before she was moaning, legs and body shaking; and finally crying out as she climaxed.

Protection on, Ella guided me through a great sexual experience. Both in rhythm, until our pleasure

built to a sensational peak. We both came together and just collapsed next to each other, breathless and satisfied.

The rest of our time was filled with great conversation, laughing and joking, my hands roaming her body with her approval. I couldn't keep away from her, and it seemed she didn't want me to. But, time was up and I went in my merry way!
