The Lady:

Her physical description on the website is accurate. I will 80% match her photos.

The Story:

I booked another girl 5 days in advance. On the D-day 10 mins after confirmed with agency, the agency texted that the girl I originally booked suddenly went to Paris without telling the agency. Not sure if the agency have done a good job here. So I went for the back up plan
- Adriana.

I arrived 5 mins earlier than the appointed time as usual. Adriana welcomed me with my requested dress and underwear with black stocking. Her Snow White skin just makes her clothing sexier.

After handing the "gift", I went for a quick shower while she did the counting. When I came out of the showerroom, she said she doesn't understand the amount of my "gift" with a big smile and kept saying she's bad at Maths. I explained my intention and what extra(s) when counting again the notes in front of her eyes. She "finally" understood and couldn't stop laughing. With her smiley face I knew it would be a great meeting.

For starter, Adriana gave an all-out DFK while I couldn't keep my hands off her curvy body. She then quickly on her knee and gave me one of the best OWO I have ever received as her big eyes constantly looking at you when her mouth was busy. Even I DTed (extra) her she didn't close her eyes or gag. Around 15 mins the first load was delivered completely inside her mouth (extra). Despite quite a long-time oral exercise she didn't complain a bit. I must say these were one of my best extra(s) I have paid.

Then I went for a quick wash for my willy and Adr quickly cleaned her mouth. We cheated a while about travels and foods etc. She initiated round 2 as soon as she realised my "brother" below started standing up for her again. She gave me another 5 mins solid OWO with eyes contact. After that we started with missionary, then sideways to prone position, to doggy. Her pretty arse could take

really take my 100% strike. After around 15 mins her face was all red. I betted she was really enjoying it. So we switched to cowgirl that she could be in charge of the rhythm. And I can confirm Adriana this girl know how to ride! She nearly "finished" me within 2 mins when she's on top. In order to prolong this around I switched back to side again so that I would be controlling the tempo. Adr didn't mind as sideways seems to be her fav. position. We "clapped" for about another solid 5 mins then I finished 2nd round in the bag.

We both were exhausted and all swearty after this round. The room was full of smell of sex and sweat. What a great memory we had created.

I ended the section with satisfaction, a big smile on my face, and a pair of shaky legs on my way home.
