The Premises:

HoD basement apartment - a short walk from Victoria station. I have not visited for quite some time and was pleased with the re-decoration throughout since my last visit. We had the use of the bedroom at the far end, perfectly spacious.

The Lady:

Quite simply – absolutely lovely, down to earth, straightforward with a fantastic body. Laura put me at ease immediately and managed the time really well to ensure we were not rushed.

The Story:

I phoned the day before to make the booking with the very friendly and helpful maid. I confirmed on the morning via text and received confirmation of the address.

I had wanted to meet Laura for a long time; availability and my own procrastination had delayed the meeting. I have been reading about seizing the moment otherwise it won't happen – so today was the day!

I opted to have a quick shower beforehand as I believe that is always the right thing to do and is respectful to the lady.

After introductions it was straight into a lovely kiss which was fantastic and which continued throughout, ranging from DFK, full on snogging and more tender moments.

I enjoyed helping Laura remove her outfit and then it was oral on me for quite a few minutes which was great. We swapped and I really enjoyed giving oral to Laura, it sounded like it was well received!

On with protection for CG, then doggy for quite some time and finally missionary. All very enthusiastic, sensual and just superb.

The finale started with me standing by the mirror with Laura on her knees. Then to the bed for the CIM and swallow finish. What a star Laura was!

I thoroughly enjoyed meeting Laura for a true GFE which included some time to chat as things progressed – it is important to me to build a rapport. I am so glad we were able to meet up and Laura is very highly recommended by me. Thank you Laura for such a wonderful time!
