### The Premises:

It is discreet location at the same time not too much inside from the main road. If you are driving best place to park is in simpson road. Very nice and clean place with facilities for showner.

### The Lady:

5'6 height ,size 10,brazilian,mid 30s body and features are exact to the pics on the site. I felt resemblance to kate del castillo.

### The Story:

Its my second visit after firsr visit ij summer.booked for 30 mins, i was 10mins early so i called maid to check i can come. She said that is fine and i wait in the bedroom so went for warm shower and came out to see this beautil sensual lady in short red dress and halloween horn entering the room. We hit it off right away, straight to kissing ,proper tongue kissing for few minutes then her dress can of i start playing with her delicious natural boobs after few minutes she pulled me up and asked me kiss her again and this time it went on for 5mins a proper smooch kiss. Then went down on me amazing skills in blowjob, skilla in using tongue. I can just watch her giving me bj allday everyday. By this time my rod was ready to go in and i gave her the look she understood right and she out cover using her mouth and went for the action forst she on top of me and then otherway around and finally it was ready to pop and finished in her mouth.

It was best punt i ever had and the service afterwards even blew my mind the shower together and the massage.

She is charmer, really enjoys what she is doing and made sure i enjoyed every bit of time i was with her. I am definitely returning to spend time with this sexy charm.
