The Premises:

The location is alright. Big room, creaky bed. Always a bit awkward walking up to the building out in the open, but it's usually quiet.

The Lady:

Elizabeth is a beautiful woman with incredible curves. I've seen her several times now. She's always polite and easy to talk to, and seems like a genuine and kind person.

The Story:

In brief, Elizabeth gave me a fantastic massage to start with, then proceeded to OWO and sex in various positions. She is amazing at what she does and I enjoyed every second with her. Her body is sublime, and her ass is another level. She's very receptive and interactive during sex, which is really important to me. After a few positions, doggy threw me over the edge. I'll definitely be back for more, maybe a duo next time.
