The Story:

I have been meaning to do her a report for a while but had forgotten my password. I try and see Steph every week she is that sexy. i have a fetish for licking a girls ass and they dont come much sexier than steph's ass and she loves it. This is where the hygiene comes in - if you like what I like you want a girl who showers and steph does. she also has a fantastic pussy -she has a body just made to fuck. She also has a kinky side i like to explore!

11/10 super sexy.

Treat her well guys she is a diamond.
