Profile Name: 24/7 Babylon Girls London Escorts Agency

The Premises:

She lives in a small one bedroom terraced house, which she keeps very clean and tidy and quite quaint. Definite bonus being so discreet as you literally walk up to her front door from the road. Road is quiet and residential off busier main street. Shower unit within bath but perfectly adequate.

The Lady:

Very pretty facially. Her agency photos are very actually accurate and so you won't get any surprises on that front. Would say she looks about 27 to 29 (so only slightly older than her profile states) and her skin is lovely and soft and smooth. Great figure, size 8. Lovely natural breasts. Nice perked bum!

The Story:

Brought a bottle of champagne with me so we opened that up on arrival and sat down to have a couple of glasses. Her English is fluent and she is intelligent and well-travelled, so the conversation was fluid and interesting.

Jumped in the shower and then started off by giving her oral, which she was receptive to but not to the point of climaxing (she told me she doesn't reach orgasm from oral). She then returned the favour and the way she licks and sucks your balls nearly had me exploding far too early! Managed to hold off and suggested we have sex. Started in missionary and then moved to her on top. Her movement in cowgirl was really good and got me to a very nice climax.

Cleaned up and then sat down for another glass of champagne and a chat and after 10 or so minutes was ready for round 2. Again, she started by giving me oral, but I asked for sex again as it was now my mission to make her cum! Missionary to start and then to cowgirl again. She was riding me beautifully, moaning encouragingly and getting faster and faster. We were nicely in synch and after about 10 minutes she cried out in ecstasy and held her body on top of mine, then moving to a passionate kiss by was of thank you.

Relaxed again for a few moments and then she went to work on me again, giving me a very sensuous and deep blow job, with lots of licking and sucking of my balls (which I had told her drove me crazy!). She had to work hard to get me to it, but it was worth waiting for when I eventually came.

Lovely girl, great service. DFK on offer whenever I wanted it and often initiated by her!

Highly recommend her.
