The Premises:

First time to this party with the theme of asian ladies led by Lucy Loveit and supported by milf Mandy Mischief and Vixxen Luiza.

Party hosted by House of Poiter a well known large house in Sutton that has regular sex parties each week!

The Lady:

My first Exotic angels party. Lucy is a fit mature asian great tits and workaholic attitude to fucking the guests. She's excellent. Millie IVY and Honey Oriental I didn't fuck but got to see working well. I don't know who was who but one was a young late 20s? BBW Asian and she was into intimate sex the other a trim 30s who took some serious fucking. Both very pretty. Mandy Mischief a Milf and good craic and Luiza and little careworn Eastern European who was so nice and so hot.

The Story:

Booking was via deposit on Eventbrite with a booking fee so be warned. Paid rest at door and went to lounge where everybody was half naked and chilling for a bit. At some point the flag went up and I moved right behind Luiza as she made her way up the stairs. She was in lingerie and looked very hot. I got to her and put my hands all over with a younger guy was close by. I was soon balls deep in her missionary she felt and looked amazing. Luiza then wanted back shots in front of the mirror 'I want to see me getting fucked'. Me and the other guy spit roasted her and she enjoyed seeing this in the mirror. I got up on my feet and fucked her for a bit that 'We should make a porno' she said. I should done something about that. Then I said to the guy to swap. He then battered her hard which she loved but couldn't keep her head up so I did what felt natural and pushed her head into the bed firmly as she was drilled. This she enjoyed and I loved that commitment she showed and the trust. I could go on. She is absolutely golden.

I wanted to fuck the other girls and Mandy was free. She sucked me good - I have had the pleasure of her mouth before. Then I wanted her on her back. I felt nothing but that was ok as I enjoy hard fucking slack milfs and I really pounded her. She was a trooper and took several minutes of hard pipe laying. I enjoyed seeing her shudder as I slammed into her. She was fine with it. Good banter with Mandy she a gem.

Then Lucy and I double teamed her with the younger guy. I fucked her spit roast then swapped

again. She was laying onto top me and I cupped and squeezed her great tits as he fucked her brutally. I could feel the shots going through her. She loved it. I enjoying squessing her great false tits and then another new one cupped her face and pinched and twisted her cheeks. She was being fucked and having her face mashed. She loved it. So full on. The guy then moved on and I sequeled into spooning her on her side and fucking her from behind. I had her to myself leaning back and getting good entry into her. She then starting using a vibrator on her clit which was another first feeling it in my cock but had go through and cum hard whilst thrusting in front behind. So strong and I'm not shy about cuming. Some girls laughed and chalked up it to a victory for Lucy. I complaining of cheating and unfairness of the electrostimulation. Great fun. So I was not upto another round. Missed two girls and haven't mentioned Desi Mouse who was late but saw getting the biggest gangbang guys all over her so she a star too.
