The Premises:

A lovely clean flat, which is only a several minute walk from Victoria station.

A bathroom is available to use for shower, mouthwash etc.

The beds are comfy, big and perfect for your lustful time together.

The Lady:

Eden is a beautiful woman.

A polish milf goddess who is 39 according to House of Divine.

Sexy long haired brunette with pretty eyes like diamonds.

Size 8 with great tits and a jaw dropping body..

The Story:

Eden opened the door to me and gave me a lovely greeting with a kiss and a hug, before showing me to the bedroom.

She kindly brought me a glass of water and let me use the toilet to use some mouthwash and spray some aftershave on.

I have a fetish for ladies silk satin pyjamas, because physically it feels really good to grind against a woman when she's wearing them while we kiss, plus psychologically it looks incredible sexy on a woman.

I have a full pyjama set in white which fitted Eden, so she kindly volunteered to wear them.

When she appeared in the room my jaw dropped due to being turned on by her wearing them.

After paying her for the hour session and switching some music on, we got straight into DFK and some moaning.

After helping me get my clothes off we did some more kissing in different positions from standing whilst looking in the mirror, sitting on my lap and lifting her up with her legs wrapped round me.

After further kissing with me on top of her and her on top of me, Eden got on her knees to give me a first class blowjob.

Full of moaning, seductive eyes, sloppy spit, deepthroating, teasing my dick with her tongue etc.

She did the same whilst I laid back on the bed.

Next it was my time for me to give her oral which I did whilst she laid back after I took off the silk pyjama bottoms, then she sat on my face whilst grinding and getting wet.

Time for some intercourse which we did once Eden put the condom on.

I came loads in missionary after saving up for 13 days and loved me and Eden dirty talking to one another for some encouragement.

I do enjoy cuddles which Eden was happy to do too, so we had a lovely chat about our love life's and I would loved to have talked to her on many topics had we had more time together.

Eden gave me a massage with some body oil which was perfect and helped relieve tension on my back.

Finally before the session ended Eden took off the silk satin top and we had one last foreplay together before having to say goodbye.

I wish I could have spent two hours with her and not one.

Eden and her services are amazing and you will want to spend more time with her when the session ends.

Cannot wait to see her again.
