The Premises:

Lovely parlour, clean tidy and well appointed rooms. A friendly welcome too

The Lady:

Incredible, olive skin, honest age and natural body. Very beautiful with long black hair, great English, even better than her pictures

The Story:

I was still in the shower when she came in. Straight way she wanted to make me feel relaxed so after a bit of kissing and me caressing that incredible body, she did a good massage. Turned over for some OW (was offered OWO but for more money) also talked about rimming but that was more money too! Went down on her which seemed to enjoy. Finished off with some good sex and then 69. Would definitely return by hopefully MN are not allowing girls to start making up their own pricing. The price has gone up but now there seems to be a lot of extras (naturally understand A levels of course) too. I hope this changes as it is real turnoff and takes away from was a great experience
