The Premises:

Well reviewed place in central MK,

I've always found the premises clean and nearby free parking is really handy

The Lady:

Elizabeth - Gets more beautiful every time I see her, tall, tanned, amazing figure, but her personality is her greatest asset (and her bum..) :)

Jess - somehow the first time we met, stunning, beautiful, amazing body, lovely eyes and smile, will definitely be seeing her again

Kris - has had a big impact since we first met, keep booking her, so sweet and sexy and the best intense kisses

The Story:

I booked 90 minutes starting with 90 mins with Elizabeth and Jess and Kris joining after half an hour for the remainder.

I'm glad I booked it this way, got to chat for a while with Elizabeth before joining each other on the bed. Soon after Jess and Kris arrived and the booking then became what can only be deemed an insight into heaven.

The only problem with booking 3 girls is you really need longer to give all the girls the attention they deserve.

I love how every meet is different and the conversation (very funny) at the end of the meet was a great way to end the booking.

Can't wait to return and see all of you again (without props :D)xx
