The Premises:

The Fenny Straford premises. Very tidy and comfortable inside, with ample parking for anyone driving to this location.

The maid was very accommodating putting the booking 30 minutes in advanced, as I knew I was held back running a little late enroute; where my initial booking was for 13:00 pm, which I ended up making it to the address with five minutes to spare, but was told by text that Eden wasn't available until 13:30, which was completely fine.

Again thank you to the maid who accommodated my booking.

The Lady:

Very toned, gym fit, gorgeous lovely Polish woman. Her attractiveness is even more enhanced when she smiles and laughs.

The Story:

This was my second visit within the week seeing Eden, as my first meet up with her on the 13th November, which was a 45 mins session genuinely made me feel assured that a slightly longer booking would be better, as she suggested that time of conclusion of our first meet, and glad my schedule aligned perfectly and took the plunge.

On this occasion the maid showed me to the top room for the 2 hour booking, which was very comfortable, and was told that Eden will be with me shortly. This time I was completely comfortable waiting, not as edgy or nervous on the previous meet up. She entered the room, with a great smile, a close embrace like long lost friends from the past. She complimented me on being much more relaxed and confident this time, which was nice; thank you Eden.

Straight into DFK, which we continued for a good 10 mins or so. I was just savouring every minute of her intimate companionship.

I absolutely adore giving, and asked her to lay on the bed and get comfortable, suggesting if she wants to, "take your heels off if you feel more comfortable without them", then went down on Eden. Such a turn on (for me personally) when you know you can make a gorgeous woman zone out into her own world of pleasure, going off to every queue her body tenses up, every shake. A good 15 mins or so of RO, with a mix of Oral on me and 69.

Sex in multiple positions, missionary which is my personal favourite, again Eden taking it right up,

throttle to the firewall with DFK with almost every thrusting rythm, which sometimes I honestly couldn't keep up with the DFK, I just had to give her other lovely sensitive parts equal care and attention.

Round 1 finally concluded where I asked where was I allowed to cum to my completion, and she said with her gorgeous sexy infectious smile, "anywhere you like". I suggested on her breasts, and then she laid down spread across the bed while I was stood over her, while she assisted along with a cheeky play of herself for me to take in along the road to completion. What a sight to behold and take in, I was taken completely taken away. Exceeded my expectations in what I thought Eden's intimacy would offer. Its almost like... a Garden Of Eden, with numerous mazes you go down, and you don't know what you're going to find, but every find is an absolute pleasure to behold.

She suggested a massage, and I laughed and reminded her from our first meeting before, that I wasn't the massaging type a gent. A nice chat is always nice, I'm just a simple man in some aspects and a good chat with Eden, while getting ready for what should've been round 2 to ensue. Turns out my past has some connection her, which brought back some very fond memories for me, and I told Eden that this meet actually made me feel 19 year younger. Unfortunately round 2 didn't conclude as planned, but throughout the rest of the time with her, was full of a genuine feel of intimacy, like a long lost girlfriend, with a extra sexy side where one wouldn't have imagined would crop up.

An amazing 2 hours flew by, and glad I took the plunge and went for a slight longer booking. Much longer. A good thorough cleanup with a good 10 minutes or so before my time slot was up. More lovely chats about life and my life so far. I vaguely remember Eden also complimenting me on my upper body and shoulders, which was really nice of her. Again an amazing sexy, lustful 2 hours, with a good copious amounts of giving and receiving from the both of us, with a good dosage of laughs. Amazing.

She lead me downstairs after I sorted myself out, letting me know to "mind your head" down the flight of stairs, then another embrace and kiss before my departure.

Special mention to the maid again for accommodating the time slot for a 30 minute delayed start, thank you.

Thank you Eden for an amazing 2 hours, until next time.
