The Premises:

Upstairs flat at the usual Victoria location about 10 minutes leisurely walk from the station. The room at the back, which is the much nicer of the 2 rooms available, as it feels a bit more private.

The Lady:

Jennie is approximately 5ft 5in, mid 20's brunette purportedly from Taiwan. Slim figure, very small breasts and in good shape. Pictures are accurate and no visible tattoos that I recall. Average looks facially.

The Story:

Into the room and waited a couple of minutes for Jennie to make her appearance. She was wearing skin toned stockings, knickers and bra. The bra was see-through but also quite intricately constructed so I didn't get a chance to take it off which was a shame. Paper work sorted and straight into DFK. Although Jennie kisses enthusiastically, she has a large tongue which can feel a bit awkward as it filled my mouth. You can however go for your life DFK wise so this was a plus.

Onto the bed for some OWO and things took a turn for the worse. Her technique was very toothy with not much attention to the balls despite prompting and I got the impression that she is not very skilled in this area. The toothy-ness was a real turn off but the chap was still up for it so on to protected sex. Oh dear. Mish first and access to her pussy was deliberately restricted by her leg positioning and I wasn't able to fully penetrate. After some half strokes I tried doggy but again her positioning made it impossible to fully enter and the chap lost interest.

Back to OWO and a CIM finish which she disposed of in the bathroom sink. CIM was £20 extra so it was £90 for the 30 mins + £20 CIM. I wasn't planning on the CIM finish but her lack of access meant this was the only way to get to the end.

Jennie likes to stare a lot which I think she thinks is sexy eye contact but I found quite weird and awkward. Her English is good but her banter pretty much non-existent.

All in all a terrible experience and I shall not be returning.
