The Premises:

The premises is a flat above a row of shops with parking outside.
The room was clean with shower facilities available.

The Lady:

Morgan is a stunning busty brunette with a very sexy curvy figure and a stunning smile.
Her photos are a perfect match to how she is in real life.

The Story:

Morgan entered the room in a stunning black dress showing off all her assets, she gave me a big hug and kiss to introduce herself before asking what I enjoyed and what she liked doing.

Morgan helped undress me and put me on the bed where she started teasing me all over with kisses, bites, sucks and licks to stimulate all my senses before removing her dress to reveal an amazing pair of boobs and a sexy body which had me rock hard instantly.
I had to slide my cock in between her boobs which felt amazing before she gave me an amazing bj and ball sucking too.

I had to give her pussy a lick too to taste her juices and make her cum which she enjoyed.

On with the rubber and bouts of missionary and doggy followed where I could feel her muscles gripping my cock inside so had to cum in the condom in her welcoming pussy which felt amazing.

Would recommend and will be back to see her again.
