### The Story:

Sorry but I have to say after a many many great punts in 2024 I have to write my 1st avoid review, Candy was only WG On duty other lady reportedly had gone home sick not shocked given poor state of venue

Candy is in her late 30s has big boobs and is a bigger girl but was only 30mins £50 plus extras maybe

After entering the room all was seemed good, little chitchat about what wanted i told her AM A boob man & like GFE

Went to kiss her and she moved her head OK so the kissing bit advertised was on cheek & then few soft peck kissing like your gran had a cuddle and she nibbled my ear, went for a kiss again and again turn of the head.

A little bit of a fumble and she turned around and undressed, I got on the towel as bed was manky  
She went straight my cock with a less than pleased look on her face giving me a hand-job to get me  
going my member wasn't ready,  
No kissing or playing with her huge bolt-on tits this was going nowhere fast

I asked her nicely to suck it and get the fella warmed up So followed some sort bj while I tried to  
played with her big tits trying to get turned on,  
Once I had a semi she got off me and layed down.(all very rushed) and put on the rubber  
tried kissing again, as that's what gets me going, she did a strange body rub over me  
we got something going & I tried to get her pussy wet with a finger play but that was stopped  
I tried getting on top but she wasn't ready nope nothing, so rolled off saying if there is no kissing  
then this isn't happening,

Just felt that she was Not interested in the work and I was very disappointed in the time I had.

I Tried to please her by kissing down her boobs and body I got to her pussy and this was my big  
shock it looked like for all the world the previous client had left something inside her it looked very  
much like Spunk at this point I lost all desire.  
we still had 15mins to go she made a remark about listen you only paid for a basic session if you  
want the extras we can do want you like to me, WAS Very clear now she was offering to let me go  
bareback..

I made out didn't understand & that could she finish me off with a BJ Which she did  
as dressing I spoke to her asked her why she doing this .. Ive got kids and Christmas coming up but  
when looked more closely her pupils were very large

Will not be returning to see this one and very disappointed that a place Ive been to Rochdale babes  
a few times but this was truly shocking
