### The Premises:

The usual well described place a leisurely 10 minute walk from Victoria station. Downstairs flat. It was 0 degrees outside but the room was nice and warm.

### The Lady:

Her pictures on the website are very flattering. Looks older than the stated 27, more like mid-30s. She is very slim, to point where her ribs stick out. Saggy boobs and for me facially average. She says she is from Romania but I got Spanish vibes.

### The Story:

My first impression was slight disappointment - Serena is way too skinny imo which is not my cup of tea and I didn't necessarily find her that attractive. However she is super friendly and chatty and disarmed me to the point where I was able to push my initial impression aside and I ultimately enjoyed my time with her.

LFK to start, lots of tongue action and I groped and fondled her boobs and butt. She got on her knees for OWO in front of the mirror before we moved on to the bed for more OWO and then 69. Great technique with plenty of attention to the balls. On with the dom for some mish, followed by a doggy pounding before finishing off in mish with LFK available throughout. No restrictions and she was happy to accommodate my full length whether slow and gentle or hard and fast. Made all the right noises and is a persuasive actress in this regard. A nice chat afterwards and out the door after 25 minutes.

I don't think I'd return but I would recommend if you like skinny brunettes and she delivered a solid punt.
