The usual location a leisurely 10 minute walk from Victoria station. Basement flat.

The Lady:

Aylin looks exactly like her pictures on the site. In fact I would say she is much better in person. Aylin smoulders and has a really sexy vibe about her, the way she looked at me just instantly got me in the mood. She is 5ft 4in from Eastern Europe (possibly Polish?). Perfectly pert boobs and sexy as hell.

The Story:

Aylin is rarely in London so when I saw her appear on the HoD schedule I had to pay her a visit. Spent a few minutes kissing - LFK only on this visit with some tongue which was a slight shame as the last time I saw her she was DFKing for her life - and feeling her up and kissing those delicious boobs. Onto the bed for some OWO with plenty of attention to the balls and I was soon rock hard and ready for action. On with the dom and Aylin hopped on board for some fantastic grinding whilst I pawed and sucked on those perfect titties. Aylin reached back and played with my balls and in fact she did this throughout the punt which drove me wild. Next onto mish and pounding away was a sight to behold, switched to doggy then back to mish for a super intense and mind-blowing climax.

Such a great half an hour and a fantastic punt, I can't recommend Aylin highly enough.
