The Premises:

A well known establishment and premises. Much more discreet on a Saturday than weekdays. I parked at Dobbies Garden Centre and walked up. Everything was spotless in the nice en-suite room, an abundance of fresh towels and the offer was made of water or an orange juice. Shower was good and shower gel available.

The Lady:

Bea, Brazilian with good English. Profile states 37 but passes for much younger imho, about 5'3' in height, size 10, an awesome 34E natural bust which is soft yet firm. Lovely black hair, fully shaved/waxed.

Foxy, British mixed race lady is much reviewed here and she is a looker! Stated age 33 and I have no reason to doubt it, size 10 imo. Height is about 5'5' with a cracking bust of 30G

The Story:

Arrived a few minutes early and shown to the room to freshen up and relax. Offered water or an Orange Juice.

When the two girls arrived it was certainly a "wow" moment! Foxy as per my late request looking amazing in lingerie and stockings with heels. Bea in a nice black outfit with bra and panties but with a an amazing ear to ear smile.

Things moved quickly with three way groping and kissing with us all being as good or bad as the others. Bea soon removed her bra to reveal a stunning bust which she rubbed all over me while her hands were everywhere. Bea is relatively new to the industry but on current form will become one of those legends, especially when being led astray by Foxy.

Foxy took my finger into the mouth and sucked on it in a naughty gesture. Bea was quite surprised and typical of this young lady, went one step further! She effectively deep throated my finger and to be honest it felt amazing.

On to the bed for the main event! Everyone got involved and stayed involved. Foxy does this trick of rotating from cowgirl into reverse cowgirl without getting off! Quite some trick!

The rest of it was a blur!

Foxy is well reviewed and is worthy of her legendary status though this was the first time I had met her. Totally recommended for solo or threesome fun!

I did have some reservations about Bea but she shone through and I will be seeing her again, solo or for another catchup with Foxy. She absolutely smoulders with South American passion and is a naughty one whose looks can be deceiving at first glance. She is very caring too. Making sure what she was doing was good and fun. A lovely touch!
