The Premises:

The usual well known parlour location 10 mins walk from Victoria tube station. I was in the upstairs flat. Shower was fine, rooms very clean, clean towels, clean beds, very pleasant for our meet.

The Lady:

Jennie is a beautiful Taiwanese girl of 22. Amazing slim body, small breasts, sexy long legs and an amazing bottom. I'd say she is around 5'4" without heels. She has long dark hair with light highlights. Great personality, friendly and smiley.

The Story:

I booked Jennie 10 days in advance as I knew I was in town for another engagement. Buzzed up and Jennie herself answered the door. She asked if I wanted to use the shower and I did. Went back into the room and waited 5 mins or so before Jennie entered wearing heels, a very sexy little bra, matching suspender belt and straps down to fishnet stockings and a tiny pair of panties! We immediately went into a DFK and Jennie really likes kissing. I am very much into Asian girls and have to say I've never met any Taiwanese girls before and Jennie was very nice, exactly the type of girl I'm attracted to, she was one of the youngest girls I've met in a long time at only 22 and me being over double her age, it was odd as it did not seem there was an age gap at all, Jenny loved my body and was quite attracted to me, which made for some great chemistry. Jennie is new to HOD, only a few months and as she's quite young, a little more tentative, but I was very happy to take the lead and I was soon kissing her beautiful young body all over. She's got lovely tight smooth skin that all asian girls seem to have and incredibly cute small breasts and small nipples that I could not stop sucking as well as constant snogging and kissing my way down her body to eventually remove her panties and see the smallest most beautiful smooth peachy pussy I've ever seen in my life. It was an absolute pleasure to lick Jennie's pussy lips and clit and I did for a long time until she came on my tongue. It was delicious. I also licked Jennie's bottom from behind and kissed her beautiful bum cheeks, I was in heaven, constantly telling her how beautiful she was. She wanted to see my cock now and pulled down my boxers to see me dick spring up pointing at her and she immediately took it in her mouth. She gave me a delicious sensual blowjob, licking up and down my cock, licking the end end of it and giving me some really good head. She even got on all fours with her bum in the air so I could grab it while she sucked me off. Absolute heaven. We did a lot of mouth

to cock play, me slapping my hard erection on her wet tongue etc.

Next we were into a 69 and I was licking Jennies pussy for all I was worth, she was just so so wet, it was a pure delight to have her young smooth vagina in my face while she sucked me hard, and licked and sucked my balls too.

She also sat upright on my face and let me feast while she grinded into my tongue. More kissing of her all over including sucking her breasts again and licking her armpits and feeling her cute young feet too. I really wanted sex now as only around 20 mins remained. Into missionary after applying a condom, wow, what a tight little wet pussy. It felt amazing to fuck this gorgeous girl of 22, made me feel half my age and i was soon giving it to her hard as well as slowing it down when I felt the sap rising enjoying some snogging while inside her etc. We did doggie, her bottom in this position is something else!

Eventually time was against me and I pulled out whipped the condom off and shot a weeks worth of my cum on her little boobies. My god there really was alot of cum spattered all over her tits and I had to help clean her up, she seemed a bit speechless!

Me and Jenny had a cuddle and chat for 10 mins, she speaks perfect English, with a tiny foreign accent. She is so so pleasant and despite being new, I think she is enjoying the industry so far and I believe she is going to go on to make an amazing courtesan. She's quite quiet during sex, she's happy for you to take the lead and very willing to please. Down to earth personality too, she comes across as shy, but she definitely enjoys the sex and certainly enjoyed my tongue and told me I'd given her the most intense orgasm with my tongue she'd had all week. I don't count myself as an amazing looker and I'm quite old compared to Jennie, but she kept telling me my body was amazing and couldn't quite believe I was single and told me I could have any girl I wanted, which felt good coming from such a young, sexy Asian girl.

I liked Jennie alot. I'd recommend her if you're a guy like me that loves sex with Asian girls or guys that like willing girls with a killer body and small natural breasts!

A girl very much who is going to build confidence to become an amazing companion.
