The Premises:

This was my first visit to the new MKE location. Whilst its opposite a garage, its tucked away from the main street. Its a pleasant, clean and comfortable location, with nicely decorated rooms, with everything on hand needed.

The Lady:

The MKE profile page for Patrice describes her perfectly and her photos are of her and are current and an accurate reflection of the lady. In real life, her bubbly personality hits you as she comes into the room, as well as her delicious curves. I always argue that photos do not always do justice and Patrice has a gorgeous face lit up with a beaming smile. A lady with a sense of fun that its pleasure to spend time with.

The Story:

I have been out the saddle for one reason or another in 2024, so this was a big return for me. I had followed the MKE twitter feed on availability as I was on a job interview elsewhere in MK (I didnt get the job!) and wasnt entirely sure what time I would be available to commit to a booking, so I made a walk-in after a tentative enquiry checking Patrice was available.

After being let in, I was led to a room and asked if I wanted a drink (I had some water) and had a few minutes to recover from the cold, awaiting Patrices arrival. She came in, with a big smile, a hug and a kiss. She mentioned she loves wearing lipstick and if this would be an issue (it wasnt!), she would remove it. I undressed, as the little guy was eagerly anticipating what was to come. Lots of kissing ensued followed by an hour of sensual GFE fun. Patrice gives the most amazing delicate blowjob. Honestly, absolutely one of the best, that had me throbbing with the most subtle flicks of her tongue. I went down on Patrice and gave her my best oral skills, which she enjoyed. Patrice went on top for the main event and I finished over her delicious boobs, which I had spent quite a bit of the hour giving them the attention they deserved. A hug and a kiss at the end before heading out into the chilly Fenny streets, all warmed up and with a spring in my step.

An amazing sensual GFE with a gorgeous lady who delivers. I will be definitely seeing her again.
