### The Premises:

A small council block about a 10 minute walk from Lewisham rail/dlr station. It was situated up Lewisham Hill. It was clean and comfortable inside.

### The Lady:

An attractive Chinese girl aged around late twenties to early 30s. She had a slim figure and B cup breasts.

### The Story:

I fancied a basic topless, hand relief session and wasn't bothered about a massage. I disregarded the profile picture because they are never of the girl you will see. I was told there'd be a choice of 2 girls, but one was busy. Lily, which seems a common name for Chinese service providers, was friendly, but didn't say much. It didn't matter and I enjoyed fondling her breasts and sucking her nipples. It did take me a while to cum, but it was a satisfying end.

On the way out the madam told me there is a new girl every week starting on Sunday.
