### The Premises:

Im not a fan of the Bletchley office. but the parking if free and generally available. the upstairs room was a bit "dingy" but served its purpose

### The Lady:

Lovely, lovely, lovely - drop dead gorgeous.  
lovely boobs and bum, pretty face and banging body.

### The Story:

From start to finish Gemma was the perfect "girlfriend"  
Gemma arrived in the room bang on time and we sorted out the paperwork as it was our first meeting.  
got into FK (lots of it) while standing and stripping off, feeling all the best bits while she stroked mini me between her thighs.  
Then onto the bed for the customary pre wipe which was nice & gentle, on to lots of nice slow OWO with plenty of attention to the "boys" and shaft as well as the head.  
In to 69 for a good few mins, nice, tasty & wet with the occasional sit up and sit on my face for a nice deep tongue lashing.  
before it got too late we stopped that - mainly because I didnt fancy getting my cock bit off if I came in her mouth lol. (she did warn me before starting lmao)  
Then on with the cover and Gemma in cowgirl for the main event and WOW was it spectacular. She can really grip you with her internal Kegel muscles and what a fantastic sensation that is. She milked me absolutely dry.  
once the fireworks had finished Gemma cleaned me up vary carefully and we had a short chat before time was up and I had to get dressed. walked out bank on 30 mins - no wasted time at all
