The Premises:

Usual purpose built place in Fenny Stratford, I am beginning to like these rooms more and more as they are large and usually have freshen up facilities available in the room.

The Lady:

Dolly is an very attractive mixed race lady, late twenties or early thirties I am guessing, pictures very accurate. Was wearing wonderful lingerie.

The Story:

Dolly walked in and gave me a kiss to begin with. We handled business and I freshened up in the bathroom. We started with some light french kissing which certainly got me going, this gave me some time to admire her amazing body. She grabbed my member, popped the condom on and didn't hesitate to start sucking.

Moved on to the bed for the main course and she climbed on top excitedly, we banged for ages and I couldn't get enough. Changed to some doggystyle and had to slow down as I was getting too excited.

Moved to missionary and she wrapped her legs around me passionately as I pounded away. I finished up not much longer and we had a passionate clinch. Had some small talk, a final kiss and then I was on my way to do some Xmas shopping. All in all an excellent start to the holidays!
