The Premises:

The venue was a little tricky to find with GPS, but very private. The room was a decent size, however the mattress was a bit too saggy and the bed was noisy. All clean and presentable though.

The Lady:

Honey has a very fitting name. She's so sweet and angelic. Such a lovely and sexy woman. I could go on for days about her, but simply put, she's beautiful!

The Story:

Honey joined me in the room wearing a cute and sexy christmas outfit. She gives warm hugs and kisses. She's really chatty and fun to talk to; honestly, i could spend hours just talking to her. But alas, onto the bed and straight to business. We had lots of fun (well, i did) and Honey was extremely accomodating and caring throughout the time. She seems to enjoy what she does and left me feeling so much gratitude for her. Such a rare gem to find in this world! I only wish i could return the favour to her in some way. Thank you sweet Honey! xxx
