### The Premises:

Ego Massage, Fenny Stratford. Plenty of free car parking in the Denmark Street Car Park. The building is spotless. The bedrooms have a small shower, but the hot water runs out quickly, so you need to keep pressing the button for the water to continue.

### The Lady:

Tia is very similar to her photos. Curvy figure. Friendly and funny lady. She wore a matching black knickers and bra set, with stockings to match.

### The Story:

Have met Tia before, but I'm surprised she recognised me. After a catch up, it was down to business.

Her massage skills are top notch, on my front with a few underswipes felt so good, then turned over, she used plenty of lotion on my manhood, which already hard by then. She worked her way up my body and provided the the happiest of happy ending, working my cock into messy state after a lengthy tug, with plenty of eye contact. .

Showered, paid and had a nice chat and laugh, before she let me out with a kiss and big hug.

If you are thinking of meeting Tia, just do it, you will not regret it. Wonderful company and wonderful hands. Thanks Tia, you utter legend xx.
