The Premises:

Usual place in blechley with large rooms, the room I was in had a variety of BDSM equipment on the table which was interesting.

The Lady:

Pamela is a young looking attractive Polish blond, with stunning legs that just go on for ever. Think 2010 Gwen Stefani. Pamela has a slim build and some tattoos.

The Story:

Pamela came in and greeted me in a friendly manner, we handled business and we started off with some light touching of her boobs and amazing legs (although I was quite apprehensive as my hands were cold, Pamela didn't mind and soon warmed them up). She asked if I'd like some OWO to which I replied in the affirmative! Pamela has a nice attentive oral technique which also gave me an amazing view of her stunning legs and lingerie. After sucking for some time I gestured that I was ready for her to jump on! She rode me for a good 10 mins or so then we moved to missionary, then some doggy. I couldn't last much longer and Pamela asked if I wanted to CIM. This is something I haven't done before so I thought, why not. She started sucking me off again and I exploded in her mouth to a satisfying conclusion. Pamela gave me some wipes to clean myself down and we had post punt chat about the Cold weather, Poland and videogames. Said goodbyes and left to brave the cold feeling very satisfied.
