Angelica is a beautiful blonde lady in her late thirties I would say. I have seen her several times it's her friendly
Bubbly personality that keeps me coming back. she has beautiful body with nice boobs. She has Eastern European accent
Which is so sexy she is gorgeous even better than her photos.

The Story:

Angelica entered the room in her Tunic with a big smile on her face and greeted me with a big Hug and a soft kiss. She then slowly took off her tunic to reveal her sexy underwear red
Red on this occasion she removed her bra to reveal a pair of
Beautiful boobs and ask me to lie on the couch she proceeded to give me a wonderful body to body Massage. She has strong hands and the regular reach unders made me so hard and when I turned Over she continued with the body to body and when it came to the happy ending I was not disappointed
Using her hands and boobs she brought me to an amazing climax this lady is very special ego is lucky
To have her
