First floor flat that's about an equal 10 minutes' walk from the Victoria and Pimlico stations.

The Lady:

Wow what bone structure and what a body.... Sexy, seductive East Canadian accent with flawless and smooth coco kissed skin and a friendly down-to-earth personality who's ready to enjoy the sexy side life with you.

The Story:

I had the distinct honor to be Sierra's first client on her first day at HOD, so I think I was the nervous one keen to make a good start to her time at HOD.

On arrival I was let in by the lovely Rose; Sierra was just getting ready so Rose found me a towel so that I could freshen up. When I entered the room there was Sierra looking the picture of elegant sexiness in her lingerie. Sorted out the paperwork and Sierra asked me to lay beside her on the bed, we stroked one another whilst getting to know one another a bit; I had to remark that her accent was lovely to my ears and compliment her on her smooth skin. We then started to kiss, such soft lips, after a while Sierra moved down and asked if I wanted oral with or without [without]. She is well skilled in the art and it wasn't long before I had to stop her, anyway, I wanted to explore what she has and I was delighted to find that Sierra has a delicious vulva with protruding labia minora....which is a big turn on for me, perfect for licking and butterfly kissing. So as you can imagine this is where I spent most of the session. Just before my time was up Sierra asked me to have sex with her so after she put the condom on me I was soon inside her and all too soon I came.

Nice chat while we dressed.... Great woman and wonderful memories.
