### The Premises:

The flat is on an upper floor of a large former council block in Bayswater, some 5 mins walk from Bayswater tube.

She has a large comfortable bedroom, with a decent bathroom opposite.

### The Lady:

Abigail is an attractive Thai woman in her mid twenties, of medium height, and with a full and busty figure. She certainly does have a very sexy body.

### The Story:

On my arrival Abigail was very welcoming and affectionate, and then set about undressing me before leading me to the bathroom. We had a lovely and erotic shower together, before returning to the bedroom for the main event.

The action was great, with kissing throughout, and lots of mutual oral and rimming, and 69. Finally, sex was then completed with Abigail riding me in an incredibly energetic fashion.

She then gave me a firm and skilled massage to finish our time together.

Abigail will definitely get a return visit.
