The Premises:

Well known place a 10 minute walk from Victoria. It's a shame they can't rent out the whole building and have four floors of whores as it would be one of the best brothels in Europe if that was the case.

The Lady:

Slim, nice height, natural figure with small tits albeit they're very pert and nice and facially she has a girl next door look. Her complexion is paler than her photos. Overall I was happy and she is genuinely Italian (for those flag collectors).

The Story:

A good session. ginevra has a warm personality and start off slowly smooching before working to full dfk and I really enjoyed running my hands up and down her body. Moved onto the bed for more foreplay before she went down and gave a very nice blowjob (owo). Put the condom on and in doggy for a while but went back to finish with a blowie (she seemed keen on the cim for £20 but I was happy not to on this occasion).

Afterwards lazing around with her with there being no rush to leave and she is pleasant company so didn't feel the urge to get up and go as soon as the deed was done.
