The Premises:

Fenny Stratford, the old MKE place behind The Old Coach House / Ego. Free car park. Been spruced up since I last visited, which was a few years ago now.

The Lady:

Lissa - Curvy, sensuous African Queen with peachy bubble bum and sensuous, responsive nipples

Kris - Curvy EE blonde with grabbable bum and naughty smile.

The Story:

First punt in a long time and had to be a threesome. Both girls wore stockings at my request. I asked for a sensual experience, which they were very happy to oblige, lots of hands, lips, tongues all over me to get me heated up, then a wonderful double bj, both tongues flicking and sliding over my straining cock while I watched. Lissa rode me hard while Kris made me suck her nipples. Then it was Kris's turn in mish, while Lissa played with my full balls from behind. Finally, finished off standing up in front of the mirror, tossing over their kneeling bodies while Kris stroked and gently squeezed my balls and Lissa held those beautiful round tits demanding they be splashed over. Lissa doesn't interact but not a big deal as she is very much a team player. Highly recommend these two and will be returning.
