Long established parlour, clean, tidy and well appointed rooms. Always a friendly welcome

The Lady:

The photos are of her when she was a couple of dress sizes smaller. Pleasant looking woman.

The Story:

We girls come in the room and are all like hello baby etc. normally means they are covering up for a bad service. Today was no exception! No kissing despite her profile saying GFE and DFK, did the whole looking away disgusted when I tried to kiss her. Not really interested in me going down on her (I am good!) covered oral for me which was ok. The sex with me on top and had to finish by hand as it was so dull. 20 mins of my life I'll never get back. My advice, avoid and chose someone else who is interested! I have let the guys at MN know and at least they will update her profile
