### The Premises:

Standard Location at The Hub No Problems There

### The Lady:

Very close to Photo's on Website. Very pretty in my opinion

Short (5'2"), Blond Not Skinny but definately well proportioned and an amazing pair of Natural Breasts with lovely small light nipples.

Exactly what I like but if you are looking for a tall thin spinner type probably not for you

### The Story:

Only a 30 minute visit so not too much to say but lovely passionate kissing (Not so deep you think she's trying to give you a BJ from the Top) but proper like you would believe she was actually enjoying it.

Then play with those lovely breasts, Blowjob and then on the bed for more kissing sucking and getting a sticky finger.

Finished with cowgirl which is a lovely view.

Finish just before time and nice chat while dressing and kiss goodbye.

Could definitely be a see over and over again.
