The Premises:

Nice ground floor flat in a residential street in Earls Court. 7:8 minute walk from Earls Court tube and fairly discreet. Nice kitchen lounge and shower was good. Nice clean towel provided and plenty of shower gel.

The Lady:

Incredibly beautiful young lady. I found her even more attractive than her pictures (which is saying something as she looks amazing in those too). Really pretty face and gorgeous green eyes. Lovely body too. All natural with no enhancements or tattoos. Fantastic pair of B cups breasts and wonderful firm bum.

The Story:

Was greeted with a nice smile which made me feel this was going to be good from the off. After exchange of gifts I had a quick shower and after a quick chat about likes/dislikes we started off with some extremely sensuous DFK. She doesn't hold back on this count. After a few minutes she removed my towel and gently started to rub her hand up and down my shaft. Didn't need much encouragement as I was rock hard anyway! Moved her kisses away from my lips and slowly kissed her way down to my cock, whereupon she took it in her mouth and slowly inched her way further and further down until she was almost doing DT. Stopped her after a few minutes and after putting on a dom entered her in missionary. She is lovely and tight downstairs. Started slowly with great eye contact and lots of DFK too. Then manoeuvred one of her legs onto my shoulder and increased the pace. Faster and faster, deeper and deeper. She was moaning nicely and definitely very much into it. Being inside her tight pussy looking at her beautiful face was heavenly and a severe test of stamina. Eventually I could take no more and came hard, followed by lots more DFK.

Had a quick shower and then went back to the lounge to have a drink and chat. Her English is excellent and she is clearly an intelligent girl. Conversation flowed with no awkward moments. After 10 or so minutes, back to her bedroom for more DFK and some exploration of her lovely firm body. Then she proceeded to perform the most incredibly BJ on me. Lots of eye contact, came up for kissing from time to time and lots of attention to balls too. Must have gone on for at least 20 minutes before I came. Bit more DFK following by a cuddle and chat on the bed, then time to wash up and say my goodbyes.

Only negative is she doesn't like oral on her (which is one of my favourite activities). Other than

that, she was amazing and I will be seeing her again very soon. Highly recommend!
