The Premises:

A 3 bed detached house in a residential area. Large trees and hedges screen the front door so you don't get looked at while waiting for the door to be opened. Room fairly large with ample furniture and a good bed.

The Lady:

Rosa is a Spanish lady about 30 years old, 5 ft 6/7 ins tall, long light brown hair that was tied up, her figure is stunning with large 36e tits and a lovely small compact bum. Her nipples are large and sensitive and respond to a good suck.

The Story:

Thought I'd opt for the 1 hr service after listening to the maid's wonderful description over the phone (it turned out to be very accurate). Rosa was very relaxed despite not having been a WG for a very long time. We started with a kiss and a cuddle and then moved on to a back massage which was above average with good attention to the balls and arse areas. She asked me if I would like a toy up my arsehole which was very pleasant since she used a condom and some cream. After turning over we then got to work with the covered bj, reverse oral on her very wet sweet tasting pussy and then 69. By the end of that lot we were both ready for it and she rode me until we both came which wasn't very long. We finished off with some more cuddling and kissing. Overall a very nice experience and one that I will repeat in the not too distant future.
