The Story:

On hearing Bunny was sadly leaving to pursue a new career I really wanted to book in to see her one last time. I booked a duo with her and Jess - they both provide 2 girls with other girls at Annabella's but are only interactive with each other.

I booked 90 mins with bunny and an hour with Jess with both booked from 3pm. The moment they arrived exchanged a very brief Halle followed by intense kissing between all 3 of us. After a while we headed for the bed with lots of 3 way activities including oral and sex between all of us.

Im sad Bunny is leaving for selfish reasons but really happy for her she is pursuing an exciting new venture, Bunny is just the most lovely, warm, genuine lady and an absolute ten to boot. I really hope she enjoys it and it works out.

Mercifully, Jess will be there for the next booking along with a few other girls I love to see there. I hope they don't leave for some time... xx
