The Premises:

Her place was easy to find and not far from the station.

The flat was nice and clean with ensuite facilities in the bedroom.

The Lady:

Starlight is absolutely stunning. She has a very unique look to her and has a toned body. I found her attractive facially and was great view when she opened the door.

She actually greeted me with the red lingerie set that she has on the pictures on the website. She looked very attractive. She must be around 5'10 in height which made her look even more sexier.

The Story:

So I actually found Babylon from the reviews on the this website so this my first review and I am giving back.

The booking was easy to make with a phone call and then a quick text message to confirm around 15 mins later. I found the receptionist very nice to talk too and although I always get nervous when doing this she was very understanding.

Once I received the text message, I was 5 mins early and she buzzed me in. She opened the door and looked amazing and I was even more nervous about being around such sexy young lady. She smiled and had some red lipstick on which made her look even more sexier.

Starlight invited me in and showed me the shower. She talked good English not 100% but a good level at least she understood me telling her how sexy she was.

After my quick shower we talked for a while and she told me about her life in Russia for a short bit. She has a very artistic background and is very good with hands. She often comes to London every few months. The talking soon turning to kissing and this DFK. Everything was very natural and not rushed at anytime. The whole session felt so natural and she is really a gem. We did not do anything wild but I did have 2 rounds of kissing, lots of positions and a 69 to top it all off. I will not go into any more detail but she is definitely a great lady to be with. I think we naturally had a connection and had few common interests.

I will definitely be visiting her again when she is back and I am happy that she was recommended to me.
