The Premises:

A busy street in Northampton, but plenty of free on street parking to be had. The premises are fronted by an anonymous door, and a door within that one. Inside there is the steepest staircase in Western Civilisation. Atop of this, I was greeted by the receptionist who showed me to Room 1 where I was to wait for the ladies to introduce themselves. The room was very clean with an ensuite shower.

The Lady:

She's lovely. The photos are accurate and she has a beautiful smiley face. Hot Brazillian, gorgeous black lingerie and smelt lovely (but not overpowering)

The Story:

£70 for half hour massage. OWO is an extra £10.

After I paid the massage fee, Milla kissed me. We kissed and fondled each other standing up for a good few minutes, DFK too. She released her boobs and then took off my top. After some more gentle kissing and fondling, she eased my jeans and pants down and went down on her knees for some good OWO. I was a bit nervous so it took a while for the old fella to respond so after a while it was onto the bed where I rubbed her clit as she gently slid a finger inside my arsehole. It was nice but slightly distracting so I asked her to play with herself for a while as I knelt beside her. Hearing her moan did the trick and she was soon giving me great OWO but she did remind me that CIM was extra. I told her I didn't want to. Once she had cum, I lay on my back. On with the condom, using her mouth and a bit of lube for good measure and she was riding me like a good un. Love a bit of CG, she has lovely natural boobs which bounced well and the nips responded very well to my attentions. I came after about 10 mins of her riding, was a good solid orgasm. She cleaned me up and offered me a shower. A nice chat, a hug and a kiss and I was on my way.
