The Premises:

Good parking. Not completely discreet due to close proximity of mechanics in adjacent garage, but most of the time OK. Premises clean and well kept with good facilities for shower pre or post visit.

The Lady:

Well matched to description. Accurate age, beautifully proportioned with breasts that immediately scream for attention, super soft skin and eyes that are just mesmerising.

The Story:

On arrival welcomed by one of the always friendly and attentive maids.

This was a chance encounter as I had a little time and chose to do a walk-in. Met each of the girls available and it was the glint in Julia's eye that made me select her.

I said on meeting Julia that I had never seen a Romanian girl before as they weren't for me for one reason or another. However we did then realise that this wasn't quite true as I had seen Ella a few times over the last couple of years.

All my preconceptions about why seeing Julia could've been a mistake were gone in moments. She was funny, engaging and super sexy. As a first time reviewer not wanting to go into massive detail I will say that Julia quickly made me feel comfortable and left me a very happy man.

I was shocked in our post shenanigans chat to find out that she had only one review. Now either other guys are greedy and keeping quiet so they can keep her for themselves (quite possible) or just lazy (equally likely lol). But sorry all, I made a pinky promise and said I'd do a review as a thank you for the smile that didn't leave my face for the rest of the day.

Look forward to next time.
