### The Story:

Been to Victoria House a few times. On the whole been great. Keeley, Tori, Levi, Tiffany. (although Tiffany does have very sensitive nipples. So if your a Breast man, probably best to choose somebody else.

As before on previous visits the lady in reception is friendly and chatty, and puts you at ease.

Paid my £15 and waited for Amy.

Absolutely nothing like the pictures. About 10 years older than her profile, and about 2 sizes at least bigger. I knew no other ladies were available, otherwise I would have cancelled. So, I went into the room and money was discussed. Normally £60 basic and £80 GFE, But not £80 straight off the bat. Basic is not the word. She stripped off, put a jony on me, laid on the bed legs in the air. That was it, no foreplay, nothing. Okay.. So off I went, and all she did was hum to the background music from the radio, yawn a few times and mutter something that was supposed to turn me on. After about 5 mins I had enough.

You have been warned.
