The Premises:

A Nice modern riverside flat in Battersea, quite upmarket. Entry system easy The lift was a little tricky to find. Her flatmate let me in. Neat and clean flat smart clean bathroom, fluffy towels.

The Lady:

Emily is a golden skinned, fit, lean attractive, classy Ukrainian woman, probably late 20's Very well presented, no tattoos, enhanced boobs but nicely done, big beautiful eyes.

The Story:

Emily is very professional, she wore a trim little black dress for our appointment and made a lot of effort to make our time relaxing, she is quite fastidious about cleanliness which is no bad thing. We had a good chat on various subjects before and after....

Her services started with a little dance and strip, gentle massage, oral and then her on top -nothing spectacular as I was more in a mood for relaxation but everything she did was good. She does offer lots on her page with babylon girls so check if you have particular requirements. I liked her and had a nice time. Recommended.
