### The Premises:

Usual place in Victoria, upmarket and very safe area with great transport links

### The Lady:

Ginevra is stunning as expected from her pictures. As soon as she walked in she legit took my breathe away. Legs that go on for ever, pretty face, and a perfect hip to waist ratio. She says she's from the north of Italy and has a beautiful olive skin tone. Mid to late twenties I would guess.

### The Story:

I had been trying to see Ginevra for months but fate had other plans so I was in great anticipation of meeting her. Ginevra put me at ease as soon as she walked in, and even before I had taken my clothes off she grabbed me to do some sensual FK, which was sublime, and allowed me to sample her amazing figure with my hands. We then handled business, I took my clothes off and went over to the corner of bed and carried on with more FK and my member was rock solid at this point which she then moved onto OWO. I was in heaven for 10 mins, her sucking technique extremely refined, and I gestured it was time for the main course (I wasn't going to last much longer anyway).

I moved up to the pillow area of the bed and she walked slowly over to me allowing me to once again observe her amazing body, she then slowly put a condom on my member and slowly climbed on top of it and rode me hard for a good 5-10 minutes, her stamina very good. I could feel myself coming to the end and so I gestured for some missionary to finish off. Again Ginevra was happy and eager to please and I finished up not long after changing to this position, absolutely satisfied. We then had a little small talk while I put my clothes back on and Ginevra's English is very good, she understood pretty much everything I was saying. Said goodbyes and that was that, an amazing punt!
