The Lady:

Maddison has been on my radar for the longest time. But schedules have never synced up. Well all I can say is she was well worth the wait. One of the best girls I have had the pleasure of meeting at Annabellas. She is exactly like her photos, her face is gorgeous and she has amazing long blonde hair. Her curves are even better in person. Her bum being my particular favourite. She is friendly a little bit cheeky (which I love) and instantly makes you feel at ease.

The Story:

This was one of those punts where you leave with a massive grin on your face wondering why you did not book for longer. When I arrived and was greeted by Maddison at the door I could not quite believe my eyes. She is gorgeous. It is almost impossible not to look at her and want to pounce on her. Sorted the pleasantries and started with an amazing deep massage as I had some tightness in my shoulders. She then gave me one of the best blow jobs and tit wanks of my life, took all my strength not to finish right there and then. I returned the favour, she tastes amazing and made all the right noises. Another blow job to set the mood before on with the bag. she gave me a perfect reverse cowgirl whilst bent over so I got a great view of her ass. Then into doggy which again took all my strength not to finish. Switched to cowgirl and got to watch myself fucking her in the mirror. Final position was missionary and then she sucked and wanked me off until I came all over those wonderful tits.

Throughout the punt she was chatty and engaging just as you would hope from a gfe.

I cannot wait to have the pleasure of seeing her again.
