### The Premises:

Basement flat , discreet entrance . Greeted at the door by another girl and shown to room . Clean and pleasant room and bed . Shower next door with shower gel which I used .

### The Lady:

Very pretty dark haired Spanish girl.

Slender figure, feminine and very elegant and friendly .

Enhanced breasts - beautifully done and all in proportion to her slim toned body .

### The Story:

I rarely punt this days for some reason but just fancied it today , no partner at the moment and a hot day and lots of flesh on display in town has me in the mood , so I booked on impulse,

Kassandra was lovely - totally on board with my simple ask, I love a slow hand relief with beautiful nails teasing me and this girl has beautiful long French manicured nails and matching pedicured toes ( I love all the little details !) Beautiful and indulged me with lots of prolonged hand relief and long nailed tease and closed mouth kissing until I surprised myself and asked to rubber up and fuck her .

What a sight as she pulled her victoria secret panties aside , showed me her tanned tight pussy and invited me in. She'd brought me to the edge with the hand relief on requests , so her pussy milked me within a couple of minutes and I couldn't hold back filling the hood with my spunk.

Lovely relaxed session, made me feel like I was walking on air and lovely and chatty afterwards and a friendly goodbye - I will definitely be back . Thanks Kassandra
