### The Premises:

The neighborhood was nice and the building was easy to find and access. The apartment was clean as was the rest of the facilities including the shower. Fresh towels and drinks were provided.

### The Lady:

Aurora was just as beautiful as she was in photos. She seemed to match all of the information in her profile very closely. She was very sweet and charming. Sweet smile and pretty eyes. Would highly recommend.

### The Story:

From start to finish it was a great hour spent with her. She was very accommodating and let me take the lead. She took the appointment last minute and made me feel very special. Again would highly recommend.
