### The Premises:

Beauty modern building, easy to get to and an extremely clean flat.

### The Lady:

Emily's body was amazing, exactly as her photographs, blonde and the most amazing boobs. A pretty woman.

### The Story:

Once I located the residential block - which is a beautiful building just by the Thames, I pressed the communal buzzer for her flat, which was answered and I was allowed in. I made my way to the correct floor and knocked on the flat door. At this point I could feel the cum in my balls literally starting to make me throb My heart racing with excitement!

The beautiful and stunning Emily answered the door in gorgeous elegant lingerie. She looked amazing and stunning.

Articulate and intelligent she kindly asked me to have a shower first and offered me a clean towel. I had my shower and once out and re-entering the bedroom Emily was sitting on the bed looking at me and waiting for me.

She commented on my body and complimented me. Which was sweet.

She then started to tickle my balls, and I asked her to lay down onto the bed and to spread her legs wide. Still with her lingerie on, I started to kiss her all over, licking and sucking every inch of her body. And got close as possible to where her inner thighs meets her pussy. She loved it and moaned. I kissed and caressed her neck, shoulders and back. Her bra off, I then started to circle my tongue around her huge gorgeous tasty boobs. Flicking my tongue on her nipples.

We then both got up and she put a condom on my cock, with some lube, we then fucked missionary. Was so great to be INSIDE her and after about 2 minutes I could not hold back and came. We then did doggy, for a long while! Lots of moaning and groaning again! :)After which we had a long nice chat! She then spent some time licking my balls, and it was the most amazing experience!

Babylon are my NEW FAVE agency! Thanks so much for creating a nice safe environment for everybody. If this level of cleanliness and safety is provided...I will keep on cumming! X
