### The Premises:

the meet was the MK hub flat

### The Lady:

i went ahead after seeing the pic and she is over 40 and wrinkles and loose and saggy body and above all racist attitude

### The Story:

Booked and then got the booking, reached and she opened the door. I was led to the room and made to wait 5 mins and she comes in and asks for cash handed over 80. Again she pops out and comes back after 5 mins, tried to touch her she starts getting aggressive i am unwell today. no touching no kissing and said take off clothes and again she goes out and returns i felt she was on high on something. not at all normal behaviour. Next i lay on bed and ask for orals she was like i dont do i am unwell. then i said let me go down and i tried to go down she starts you are lickin with spit, i dont want to do this and goes out of the room and sends another lady to say she doesnt want to continue the booking. I put my clothes on and went out. Worst attitude and experience and i think she has racist attitude and also high on something when working. Will never return and avoid her like plague. she didnt even return my money and i got nothing
