### The Story:

I have seen Lola a number of times and have never been disappointed . All her services are with protection and she seems to get as much enjoyment out of providing them as I do in receiving them . I usually start with kissing and cuddle whilst getting our clothes off then on to her speciality for me of oral with lots of messy deep throating and gagging with her taking me literally down to the balls untill she runs out of breath .Also on offer is sex in cowgirl, doggy and missionary with heels to heaven and legs wide open and yes she can take a pounding in that position (which is my favourite) .If I've anything left in the tank at this time she will finish me off with a nice oily wank and if that's not value for money for £70 in total I don't know what is .Lola I thank you so much for making an old man VERY VERY HAPPY !!!
