The Story:

I do not recommend visiting this escort, I dont write many reviews but my experience was so bad that i felt i had to. I believe that this wpman olivia is a con woman and thief, i booked a room in the bromley court hotel and awaited her arrival, she was late, I told her what room i was in, she came in I paid her and then without any warning she burst into tears and went into the bathroom and locked the door. I strongly believe that this was an act to just rob me she cried to when i tried to talk to her about her behaviour she cried and complained to hotel staff. At this point i should make it clear i did nothinh wrong. I left the hotel disgusted and later complained to cherry girls agency. This woman is clearly a con srtist robbing men. Cherry girls eventually removed her profile but now she is back.
